Véritable carnet de croquis à emporter partout avec soi, ce livre, facile à manipuler, fourmille de suggestions pour broder ses propres créations.

Peter Rabbit, Jemina la cane, la famille Trottemenu... Qui n'a pas un jour craqué pour ces petits personnages aux couleurs tendres et au graphisme séduisant ? Par quelques points rapides, reproduisez l'univers charmant et doucement surréel de Beatrix Potter[®], pour le plus grand plaisir de tous !

En fin d'ouvrage, un chapitre est consacré aux conseils techniques, aux points, aux toiles, aux fils, et à tout ce qu'il faut savoir sur la broderie aux points comptés.
